## **Ashland Inc. enters into approximately \$270 million share repurchase agreements**

January 29, 2015

COVINGTON, Ky. - Ashland Inc. (NYSE: ASH) today announced that it has entered into uncollared accelerated share repurchase (ASR) agreements with each of Deutsche Bank AG, London Branch ("Deutsche Bank"), and JPMorgan Chase Bank, N.A., ("JPMorgan") to repurchase an aggregate of approximately \$270 million of Ashland's common stock. These agreements are part of Ashland's previously announced \$1.35 billion share repurchase program.

Under the ASR agreements, Ashland has agreed to repurchase an aggregate of approximately \$270 million of its common stock from Deutsche Bank and JPMorgan, with immediate delivery of an aggregate of approximately 1.9 million shares expected.

The term of the agreements will not exceed July 2015, although they may be completed earlier based on market conditions and other factors.

### **Forward-Looking Statements**

This news release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Ashland has identified some of these forward-looking statements with words such as "anticipates," "believes," "expects," "estimates," "is likely," "predicts," "projects," "may," "will," "should" and "intends" and the negative of these words or other comparable terminology. In addition, Ashland may from time to time make forward-looking statements in its Annual Report to Shareholders, quarterly reports and other filings with the Securities and Exchange Commission (SEC), news releases and other written and oral communications. These forward-looking statements are based on Ashland's expectations and assumptions, as of the date such statements are made, regarding Ashland's future operating performance and financial condition, the economy and other future events or circumstances. Ashland's expectations and assumptions include, without limitation, internal forecasts and analyses of current and future market conditions and trends, management plans and strategies, operating efficiencies and economic conditions (such as prices, supply and demand, cost of raw materials, and the ability to recover raw-material cost increases through price increases), and risks and uncertainties associated with the following: Ashland's substantial indebtedness (including the possibility that such indebtedness and related restrictive covenants may adversely affect Ashland's future cash flows, results of operations, financial condition and its ability to repay debt); the impact of acquisitions and/or divestitures Ashland has made or may make (including the possibility that Ashland may not realize the anticipated benefits from such transactions); the global restructuring program (including the possibility that Ashland may not achieve the anticipated revenue and earnings growth, cost reductions, and other expected benefits from the program), Ashland's ability to generate sufficient cash to finance its stock repurchase plans, severe weather, natural disasters, and legal proceedings and claims (including environmental and asbestos matters). Various risks and uncertainties may cause actual results to differ materially from those stated, projected or implied by any forward-looking statements, including, without limitation, risks and uncertainties affecting Ashland that are contained in "Use of estimates, risks and uncertainties" in Note A of Notes to Consolidated Financial Statements and in Item 1A in its most recent Form 10-K filed with the SEC, which is available on Ashland's website at <http://investor.ashland.com> or on the SEC's website at [www.sec.gov](http://www.sec.gov). Ashland believes its expectations and assumptions are reasonable, but there can be no assurance that the expectations reflected herein will be achieved. Unless legally required, Ashland undertakes no obligation to update any forward-looking statements made in this news release whether as a result of new information, future events or otherwise.
